Graeme's gossip....

Our vocational visit to the SES Launceston Headquarters was a great success with 17 members attending. Although the outside tour of the equipment etc. was a little chilly, members found the presentation and tour very interesting. Many thanks, once again, to Theresa Dean for organising and overseeing the pizza night and for her lovely dessert platter that followed.

Dates to Remember...

24th June 2019 - *Changeover Dinner*
26th August 2019 - *D G Club visit*
28th October 2019 - *Group 4/5 Forum*

Bunnings Barbecue Dates

June - Thursday 27th (North)
Further dates to be advised

Reports:

As the evening was a vocational visit there were no Directors reports but the following are some notes from the recent Board Meeting:

- ◇ After much discussion it was resolved, in principal, that our Club continue with the Soggy Bottom Cardboard Boat Regatta next year.
- ◇ Another sheep manure drive will be organised in the near future at Connorville.
- ◇ It was resolved that due to some of our members struggling to hear proceedings, for future dinner meetings we will be using the LGC's PA system, and will also be using the lecturn for our guest speakers.
- ◇ There will be a Club visioning follow up session in July led by AG Brett Williams.

Vocational visit to SES Launceston Headquarters:

Our host Graydon O'Halloran and his deputy Liz gave a Powerpoint presentation to our Club on what is involved, and what is required of volunteers who are looking to become SES members. There are over 600 volunteers in the state across 3 regions ie: North, Northwest and South. Out of approximately 40 who started in the last intake only 22 continued to become volunteers. There are many units within the SES and all manner of specialties, from the very active response teams to the Incident Management Unit members who answer phones and do computer work etc. The ratio of men to women is about equal among the volunteers. As we know the SES also work with Police and Fire Brigades to provide support with road accidents and other emergencies when required. During the Central Highlands fires last summer the SES personnel put in 12,000 hours of service.
