Westy's wisdoms.....

President Chris welcomed Assistant Governor Brett Williams and all members to the meeting.

Chris has been presented with a Thankyou Certificate from Bunnings.

He has also been given a lot of new information regarding the running of the barbecues, and the relevant information will be passed on to the Club in the near future.

Reports

Treasurer George has put out the current financial report along with a list of all donations given by the Club for the last financial year.

Secretary Leigh received a thankyou note regarding RYLA and our Club's supply of the jackets. A photo of this year's group was circulated among members.

Also a letter was received requesting funds for a defibrillator for a Ravenswood school. This will go to the Board next meeting.

President Chris and Rotarian George attended the Rotaract Club of Tamar Valley Changeover Dinner. This was a very pleasant occasion and it was also noted that at least two of the members are past RYLA participants. They said that RYLA was an excellent experience for them.

AG Brett presented President Chris with the theme banner for this year "Rotary Connects the World"

Assistant Governor Brett Williams guided the Club through the data collected earlier this year in a previous visioning session.

We found that most recognised 25 members as a good size for our club. We also had a consensus on what our club can present to prospective members -

- * We are an active club.
- * We are friendly and encouraging and enjoy great fellowship at our meetings and events.
- * We have excellent guest speakers at our meetings.
- * We see a need and have the capacity to act on it.
- * We have great organisers within the club and use that to our advantage.
- * Our members have a wide knowledge of Rotary and what it means to be a Rotarian.
- * Our Club has an excellent reputation and our achievements, along with the donations made within our community, make us a positive and caring influence in our region.

What Rotary, and our Club in particular, does not do well is promote ourselves.

So this is the current challenge!!!!

We have a Membership Committee again this year, so please pass on any ideas, suggestions and/or promotion opportunities to our President Chris Westlake or any committee member so that we can let the community know we are willing to expand our horizons and develop our Club further and encourage new members to join in the fun and fellowship of Rotary.
