Westy's wisdoms.....

President Chris welcomed our guest speaker Simon Aufder-Heide from CANTEEN, and all members to the meeting.

Reports

President Chris has received a letter from the Lions Club of Windmill Hill requesting help in financing a wheelchair for Ward 5 at the Launceston General Hospital. The wheelchairs enable long term patients, mostly those recovering from stroke etc., to go home on occasion. This was received favourably by those members present.

Last Thursday 18th July some members bagged 350 bags of strawberry mulch and delivered them to the SES at Youngtown. The sale of these will be enough to buy another defibrillator for the SES vehicles. (If anyone has photos please let me know. ED.)

The Northern Support School will be holding a trivia night and silent auction on October 18th 2019. This is a very worthwhile event and we encourage members and Rotary friends to make up a team and support it.

Club Service Director Tas and President Chris are still doing some investigations into the size and type of skate parks in the area. Watch this space!!!!

Treasurer George reminded members who have not paid their annual subs that these are **now overdue**.

Also we are very fortunate to have three money spinners around the city. These are a good source of income and enable us to donate more back into the community.

Go through security and our meal will be at the Boags Upper Deck restaurant.

Guest Speaker

Our speaker this week was Simon Aufder-Heide who is Program Officer for CANTEEN.

For those unfamiliar with the work of CANTEEN, it is an organisation to assist people between the ages of 12 and 25 years who are impacted by cancer. This means that they may have cancer themselves or quite often they have lost a family member or friend through cancer.

There are 23,000 young people impacted by cancer each year in Australia. Around 50 per month are helped through CANTEEN in Tasmania alone. 16% are patients who have cancer themselves.

When cancer strikes everyone deals with it in their own way. Some become quiet and reclusive while others appear to shrug it off more easily. Whatever way it is dealt with CANTEEN is there to help them cope with how they feel, think, how it affects their relationships as well as coping with school or University studies and jobs.

They are offered peer support, counselling, online support and information, understanding medical treatments specifically for young patients, just to list a few of the areas of help that is available.

The sale of bandannas is one of the fund raising items they sell, as well as pens and badges etc.
