Westy's wisdoms.....

This week we welcomed several visitors to our meeting. David Jones from South Launceston Progress Association. And Maree Pennington, Principal of Kings Meadows High School, joining Maree were two Head Prefects, Angie Collins and Kaiden

Page.

We have been approached, to again do the catering for the Magic Millions in February next year, for the three days 22nd to 24th. Part of the negotiations is that we are the ONLY food van.

We have also been approached by the MS Society to cater a BBQ for their Walk-A-Thon to be held at York Park. After the disappointing result from the Swim-A-Thon earlier in the year, it was decided that we would pass on the invitation.

Scottsdale Rotary has called for volunteers to help with the Rail Run to be held this Saturday 17th & Sunday 18th, if anyone is interested please contact the Secretary of Scottsdale Rotary.

Group 4/5 Forum is being held at Grindlewald on Monday 28th October. We will be calling for numbers in a couple of weeks. Please note that there will be NO meeting at the Golf Club that night.

Rotary Friendship Exchange is a trip to South America in September 2020, information has been circulated in an email, and is also available on the website.

Evandale Rotary are having a movie night for Polio. Movie is RIDE LIKE A GIRL. Date to be advised.

Joint meeting with West Launceston Rotary Club to be held on 16th September at the Manor. More details will follow next week.

KINGS MEADOWS HIGH SCHOOL.

Principal Maree Pennington shared with us their school promotional video. Which stated that they are strongly committed to working with all their associated primary schools & colleges, to insure continuous & life long learning.

The school has undergone a \$7 million upgrade over the past few years. And is ranked as one of the top education facilities in the state, it offers a wide range of courses, & activities from viticulture, with a working vineyard on site; to mountain bike riding, to courses in the arts, building & construction, working with children and audio & technology, just to name a few.

Past students have gone on to be great leaders in their field in our local community, nationally and internationally, with one student working at NASA.

Kings Meadows High School has a strong emphasis on preparing their students for the outside world, guidance with career pathways and apprenticeships, to courses on how to prepare resumes and cover letters, mock up job interviews etc.

Both Angie and Kaiden explained about the process on how they became a Head Prefect and their role in the school. And more about what courses and activities are available to the students. I think all Rotarian members who were present will agree how well spoken and informative Angie and Kaiden were, and definitely a credit to their school and themselves.

And the 4 core values that the school holds high-
 ASPIRATION
 RESPECT
 ENCOURAGEMENT
 GUIDENCE

(Are values we should all live by to make the world a better place)

Many Thanks to Maree Pennington, Principal Kings Meadows High School.
