## Reports

President Chris - We have some revised Bunnings barbecue dates to consider, including some from Bunnings North.

The club is looking for a small 2 dish Bain Marie with overhead warming lamps for the food van.

The Spurr Wing barbecue was a great night. The barbecue that is being used has passed its best and the club will look at a replacement in consultation with Lyn very soon.

Rotarian Ian Smith has a front fence in need of work, and due to Ian's recent health issues the Club will assist him to get the job done.

Community Service Director Judy advised that planning for the Cocktail Party on the 13th March is progressing well.

Vocational Service Director Viv is planning another vocational visit and possibly a Chinese meal to follow in late April/early May.

## Reports Continued

Club Service Director Tas received a lovely thank you card from the Midlands Pony Club re the joint sheep manure gathering day at 'Connorville' recently. It was very much appreciated.

Rotarian Ted reported that the club will be doing the barbecue at the RSL Club for Anzac Day again.

He also said that of the 120 sky hydrants that Disaster Aid wanted to put into schools in Bhutan, with the next two shipments included it equals 90 that have already been supplied.

Rotarian Leigh Dyson gave a report on the progress of the 'Soggy Bottom' Cardboard Boat Regatta. There is plenty of media attention planned this year and the item in the Examiner on Saturday 15th February was very welcome.

He also shared a surprising statistic - **for every child suffering cancer there are FIVE living with Type 1 Diabetes**, so the camps we are raising funds for will be very worth while. They will educate the child and their family, and the broader community will be more aware of what it is these kids live with every day.

Once again our newest Rotarian Bradley Mitchell is in the spotlight!!

This picture is now displayed in the window of the Café Next Door, just behind Meadow Mews in Reuben Court, Kings Meadows.
