This week we had a great evening with the Punchbowl Community Garden group in the form of a barbecue meal and a look over the various gardens.

This is another Rotary Project which was opened in 1997 under the leadership of Rotarian Bill Tann.

Rotarian John Heazlewood is the club representative nowadays and he does a fantastic job of overseeing the running of the gardens as well as keeping sheep manure and pea straw etc. coming in for the nearly 150 plots that make up the area. Our club recently donated another 25 bags of sheep manure towards the project.

The weather was favourable and the meal was excellent too. Thankyou everyone for making it such a great night of fun and fellowship, and a particular thankyou to John and our hosts.

How good is this ...

A combined BBQ & Beer Cooler

This, surely, is Aussie engineering at its very best!

When you're finished barbecuing and the ice has melted, just pull the handle and the fire goes out.

OMG ... is this a great country, or what?

This is one for our innovative Rotarian Ian!!!!
